# Features and Magic Items

Merry Skipstep

## Subclasses

### Subclass: Wild Magic

Your innate magic comes from the wild forces of chaos that underlie the order of creation. You might have endured exposure to some form of raw magic, perhaps through a planar portal leading to Limbo, the Elemental Planes, or the mysterious Far Realm. Perhaps you were blessed by a powerful fey creature or marked by a demon. Or your magic could be a fluke of your birth, with no apparent cause or reason. However it came to be, this chaotic magic churns within you, waiting for any outlet.

## Features

### Brave

**Source:** Race (Halfling)

You have advantage on saving throws against being frightened.

### Cunning Action

**Source:** Rogue

Starting at 2nd level, your quick thinking and agility allow you to move and act quickly. You can take a bonus action on each of your turns in combat. This action can be used only to take the Dash, Disengage, or Hide action.

### Expertise

**Source:** Rogue

At 1st level, choose two of your skill proficiencies, or one of your skill proficiencies and your proficiency with thieves tools. Your proficiency bonus is doubled for any ability check you make that uses either of the chosen proficiencies.

At 6th level, you can choose two more of your proficiencies (in skills or with thieves tools) to gain this benefit.

Add these skills to "skill.expertise" in your character.py file

### False Identity

**Source:** Background (Charlatan)

You have created a second identity that includes documentation, established acquaintances, and disguises that allow you to assume that persona. Additionally, you can forge documents including official papers and personal letters, as long as you have seen an example of the kind of document or the handwriting you are trying to copy.

### Halfling Nimbleness

**Source:** Race (Halfling)

You can move through the space of any creature that is of a size larger than yours.

### Lucky

**Source:** Race (Halfling)

When you roll a 1 on an attack roll, ability check, or saving throw, you can reroll the die and must use the new roll.

### Naturally Stealthy

**Source:** Race (Lightfoot Halfling)

You can attempt to hide even when you are obscured only by a creature that is at least one size larger than you.

### Sneak Attack (1d6)

**Source:** Rogue

Beginning at 1st level, you know how to strike subtly and exploit a foe's distraction. Once per turn, you can deal an extra 1d6 damage to one creature you hit with an attack if you have advantage on the attack roll. The attack must use a finesse or a ranged weapon.

You don't need advantage on the attack roll if another enemy of the target is within 5 feet of it, that enemy isn't incapacitated, and you don't have disadvantage on the attack roll.

The amount of the extra damage increases as you gain levels in this class, as shown in the Sneak Attack column of the Rogue table.

### Tides of Chaos

**Source:** Sorcerer (Wild Magic)

Starting at 1st level, you can manipulate the forces of chance and chaos to gain advantage on one attack roll, ability check, or saving throw. Once you do so, you must finish a long rest before you can use this feature again.

Any time before you regain the use of this feature, the DM can have you roll on the Wild Magic Surge table immediately after you cast a sorcerer spell of 1st level or higher. You then regain the use of this feature.

## Wild Magic Surge

**Source:** Sorcerer (Wild Magic)

Starting when you choose this origin at 1st level, your spellcasting can unleash surges of untamed magic. Immediately after you cast a sorcerer spell of 1st level or higher, the DM can have you roll a d20. If you roll a 1, roll on the Wild Magic Surge table to create a random magical effect.

## Magic Items

### Charlattan's Die

**Requires Attunement:** False

**Rarity:** Common

Whenever you roll this sixsided die, you can control which number it rolls.

# Spell Descriptions

Merry Skipstep

## Mage Hand

*Conjuration Cantrip*

**Casting Time:** 1 action

**Range:** 30 feet

**Components:** V, S

**Duration:** 1 minute

A spectral, floating hand appears at a point you choose within range. The hand lasts for the duration or until you dismiss it as an action. The hand vanishes if it is ever more than 30 feet away from you or if you cast this spell again.

You can use your action to control the hand. You can use the hand to manipulate an object, open an unlocked door or container, stow or retrieve an item from an open container, or pour the contents out of a vial. You can move the hand up to 30 feet each time you use it.

The hand can't attack, activate magical items, or carry more than 10 pounds.

## Poison Spray

*Conjuration Cantrip*

**Casting Time:** 1 action

**Range:** 60 ft

**Components:** V, S

**Duration:** Instantaneous

You extend your hand toward a creature you can see within range and project a puff of noxious gas from your palm. The creature must succeed on a Constitution saving throw or take 1d12 poison damage. This spell's damage increases by 1d12 when you reach 5th level (2d12), 11th level (3d12), and 17th level (4d12).

## Prestidigitation

*Transmutation Cantrip*

**Casting Time:** 1 action

**Range:** 10 feet

**Components:** V, S

**Duration:** 1 hour

This spell is a minor magical trick that novice spellcasters use for practice. You create one of the following magical effects within range.

- You create an instantaneous, harmless sensory effect, such as a shower of sparks, a puff of wind, faint musical notes, or an odd odor.
- You instantaneously light or snuff out a candle, a torch, or a small campfire.
- You instantaneously clean or soil an object no larger than 1 cubic foot.
- You chill, warm, or flavor up to 1 cubic foot of nonliving material for 1 hour.
- You make a color, a small mark, or a

symbol appear on an object or a surface for 1 hour.

- You create a nonmagical trinket or an illusory image that can fit in your hand and that lasts until the end of your next turn.

If you cast this spell multiple times, you can have up to three of its non-instantaneous effects active at a time, and you can dismiss such an effect as an action.

## Shocking Grasp

*Evocation Cantrip*

**Casting Time:** 1 action

**Range:** Touch

**Components:** V, S

**Duration:** Instantaneous

Lightning springs from your hand to deliver a shock to a creature you try to touch. Make a melee spell attack against the target. You have advantage on the attack roll if the target is wearing armor made of metal. On a hit, the target takes 1d8 lightning damage, and it can't take reactions until the start of its next turn.

The spell's damage increases by 1d8 when you reach 5th level (2d8), 11th level (3d8), and 17th level (4d8).

## Burning Hands

*Evocation Level 1*

**Casting Time:** 1 action

**Range:** Self (15 foot cone)

**Components:** V, S

**Duration:** Instantaneous

As you hold your hands with thumbs touching and fingers spread, a thin sheet of flames shoots forth from your outstretched fingertips. Each creature in a 15-foot cone must make a Dexterity saving throw. A creature takes 3d6 fire damage on a failed save, or half as much damage on a successful one.

The fire ignites any flammable objects in the area that aren't being worn or carried.

**At Higher Levels.** When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d6 for each slot level above 1st.

## Expeditious Retreat

*Transmutation Level 1 (concentration)*

**Casting Time:** 1 bonus action

**Range:** self

**Components:** V, S

**Duration:** Concentration, up to 10 minutes

This spell allows you to move at an incredible pace. When you cast this spell, and then as a bonus action on each of your turns until the spell ends, you can take the Dash action.
